Brushes

Also purchase any other brushes you think you would like to work with. It is a good idea to go to Michaels and pick up a cheap pack with a variety of brushes.

Canvases

To start I recommend either ordering a few Blick Academic Cotton Canvases-

<https://www.utrechtart.com/products/blick-academic-cotton-canvas/> or going to Michaels and picking up a cheap pack or two. Due to paint dry time, it is good to have 3-4 canvases at a time to work on.
